*Re: "Bandits"*

Dear Sara:

I am writing to let you know how much my family and I appreciate the time and attention you gave us in working on the filming of "Bandits" in our house. You went way beyond the call of duty to make sure that our house was taken care of from set-up through clean up. At every step you went the extra mile to keep us informed, make sure our interests were considered and protected. We also appreciate the efforts you made in getting Diane and the kids invited to other location shoots to see what movie making is all about and inviting us to Bruce's Party.

Our experience with the "Bandits" movie was great and in very large part that was because of you. We would gladly work with you again on another movie production and would be happy to provide you with a reference for any endeavor you choose to undertake.

Respectfully yours,

Howard Aaronson
